

November 30, 2020

To Our Customers and Friends:

2020 has been challenging to say the least. From the global COVID-19 pandemic, that has affected many families, to the night of Saturday, April 11 when Hardymons main building burned to the ground. It was a devastating loss, but we are thankful no one was injured and no neighbors homes were damaged. With the support of many who volunteered their time on Easter Sunday and many who brought supplies and food, we were able to reopen and restart deliveries on Tuesday. We couldn't have done it without the help of each and everyone of you. This year has shown us the overwhelming support from our customers and friends from Maysville and the surrounding areas. We will be eternally grateful for all of the kindness bestowed on us by so many. Through this experience we have discovered the importance of community and the need to count our blessings.

Our team is committed to serving you throughout these trying times. We have shown our resilience in the face of adversity. We will not let this setback define us.

During this season of Thanksgiving, remember there is hope, hope for a brighter tomorrow & for a new season. I encourage you to reflect on your gifts and to give gratitude and thanks. We hope and pray everyone stays healthy and safe and this pandemic will be overcome in the new year. We would like to thank you for your support and loyalty through these challenging times and are very excited to welcome everyone to visit our new store in 2021.
